Your workers' compensation claims administrator, State of Vermont BGS Office of Workers' Compensation is providing prescription benefits through Tmesys, an online Pharmacy Benefits Manager.

The attached peel-off Tmesys First Fill Prescription card will make the process of obtaining medications for your injury easier and more convenient. Simply present this card to any of our more than 60,000 participating pharmacies nationwide, including Hawaii and Puerto Rico, and your prescription will be filled at no out-of-pocket expense. Your use of this card is limited to those prescriptions medically related to an injury that is considered to be covered under the applicable state workers' compensation law.

Should you have any questions regarding our program or for the locations of a participating network pharmacy near you, please contact Tmesys at **866.599.5426**.

Sincerely,

**Tmesys**
